SPEAKER TALK

Your sponsorship can also lead to a lightning-talk, a shorter version of our main talks. We're adamant that every Front-Trends segment is filled with valuable content, not pitchy marketing talks. However, the web and mobile has many companies and employees that can share their valuable work, and a sponsored talk is the perfect way to get your organization recognized while blowing the minds of the Front-Trends audience.

SWAG AND DIGITAL GOODS

We encourage all sponsors to give out stuff to our attendees, but non-essentials can lead to conference-clutter. Sponsor swag in a practical, long-lasting way, by putting your logo on Front-Trends Tote Bags, Lanyards, Badges, Mugs, Travel Gear or Electronics. You can also offer digital vouchers, flyers, bring or ship your company banners, offer T-shirts, and much much more.
